 - Gained hands-on experience in software development, project management, and UI design.
- Intern, Yashika Boutique

 - Designed and implemented the social media and e-commerce strategy.
 - Developed and maintained the boutique's e-commerce platform to enhance online sales.

EDUCATION

- Vellore Institute of Technology, B tech, Computer Science and Engineering

10/2022 – present
- Prestige Public School, 12th Standard

2021 – 2022
Indore

PROJECTS

- India Now, IOS application

 - India Now** is an iOS app that fetches and displays real-time news from Indian sources via the MediaStack API.
 - Shows articles with titles, descriptions, images, sources, and links while cleaning up unwanted characters.
 - Uses **MVVM architecture** for better maintainability and handles API errors with fallback messages.
 - Supports **refresh functionality** to reload news data.
- SpaceNow, IOS application 

 - SpaceNow** is an iOS app built with Swift and SwiftUI, delivering real-time space-related news and updates.
 - Features a **smooth and modern UI** for an enhanced user experience.
 - Implements **robust error handling** for API requests.
 - Follows the **MVVM architecture** for better code organization and maintainability.
- Flash Chat, IOS application 

 - A **Swift-based iOS chat app** using Firebase for real-time messaging.
 - Supports **secure authentication** with Firebase.
 - Features **instant messaging** via Firebase Realtime Database.
 - Provides a **user-friendly UI** designed with SwiftUI.
- ByteCoin, IOS application 

 - A **Swift and UIKit-based iOS app** that provides real-time **Bitcoin exchange rates** in multiple currencies.
 - Features a **minimal, user-friendly interface** for a seamless experience.
 - Uses a **robust API** to fetch live exchange rates with modern iOS development practices.
- Tipsy, IOS application 

 - Tipsy** is a **Swift and UIKit-based iOS app** for quick and easy tip calculation.
 - Calculate tips based on **bill amount** and **desired percentage**.
 - Split the total** among multiple people effortlessly.
 - Features a **clean, minimal design** for a smooth user experience.

CERTIFICATES

- NPTEL Cloud Computing Course Certification 

MLP Community Project Certificate by Android Club VIT Bhopal 

MATLAB Onramp Certification 
- Simulink Onramp Certification 

Android Club VIT Bhopal Appointment Letter 

CipherByte Technologies Internship Certificate 
- Letter of Recommendation 

CipherByte Technologies
